

NEXTRARE MARKETPLACE

KC, Li Ho

Product 1-liner

“ A trading card marketplace where listed cards **earn** while they wait to sell. ”

What are

Problems Identified

1. Fair-priced cards **sit unsold for weeks**. Few buyers.
2. Only fast exit is **selling below market value**.
3. Listed card **earns nothing** while it waits.

What are

Solutions

1. **List once, sell two ways**. Listed at 0–10% over live market value + gacha pack.
2. **Yield while it waits**. Half of pack margin to listers, up to 4% a month.
3. **Paid in seconds**. Kept or bought, lister gets listed price instantly.
